PROFESSIONAL STAFF

WHAT SETS THE CONCRETE DOCTOR APART FROM OTHER COMPANIES IN THE INDUSTRY IS THE FACT THAT WE ARE NOT JUST EMPLOYEES, BUT OWNERS WHO ARE ON THE JOB DOING THE WORK. THEREFORE, WE ALL HAVE A VESTED INTEREST IN THE HIGHEST QUALITY WORKMANSHIP ON EVERY CUSTOMER'S PROJECT.

AS A COMPANY, WE HAVE COMPLETED AND ASSISTED DEVELOPERS, ARCHITECTS, DESIGNERS, CONTRACTORS, AND HOMEOWNERS WITH PROJECTS RANGING FROM 50 TO 100,000 SQUARE FEET OF DECORATIVE CONCRETE. WE ALSO HAVE PERSONALLY TRAINED HUNDREDS OF CONTRACTORS IN THE STAMPED CONCRETE INDUSTRY. DECORATIVE CONCRETE IS OUR SPECIALTY AND EXPERIENCE IS OUR KEY TO QUALITY WORK.

SUPERIOR PRODUCTS

KNOWING THAT YOU'RE CONCRETE IS ONLY AS GOOD AS THE FOUNDATION; WE ALWAYS START WITH A GOOD BASE MATERIAL IN ADDITION TO REBAR OR WIRE MESH. STRENGTH IN CONCRETE IS ALSO CRITICAL TO MINIMIZE CRACKING; WE ALWAYS ADD A STRENGTHENING MATERIAL CALLED FIBERMESH TO THE ACTUAL CONCRETE MIX TO HELP PREVENT THIS FROM OCCURRING. SOME IN THE INDUSTRY MIGHT FEEL OUR PRACTICE IS OVERKILL, BUT IT'S JUST THE STANDARD FOR THE CONCRETE DOCTOR.

WE OFFER A VARIETY OF COLORING TECHNIQUES, BOTH INTEGRAL AND COLOR HARDENER FOR CUSTOM HIGHLIGHTING. IN DOING SO, WE ARE ABLE TO ACHIEVE THE MOST NATURAL LOOK. IN MOST CASES WE DO TWO APPLICATIONS OF HIGH QUALITY SEALER TO ACHIEVE A LONG LASTING BEAUTIFUL PRODUCT.

PREMIER DESIGN

THE CONCRETE DOCTOR TAKES GREAT PRIDE IN MAKING SURE THE CUSTOMER IS SATISFIED WITH THE END RESULT. TO ACCOMPLISH THAT GOAL, WE SIT DOWN WITH EVERY CUSTOMER AND GO OVER THE LAYOUT, DESIGN, COLOR, AND THE VARIOUS PATTERN OPTIONS.

THE KEY TO GREAT DESIGN IS MAKING SURE IT ALL FLOWS TOGETHER WITH YOUR IDEAS, HOME, AND EXISTING LANDSCAPE. ONLY ON THE JOB EXPERIENCE AND KNOWLEDGE MAKES THIS ALL POSSIBLE.
